

## **Question on Notice**

**No. 964**

**Asked on 8 June 2007**

**MR LINGARD** asked the Deputy Premier, Treasurer and Minister for Infrastructure (MS BLIGH) –

### **QUESTION:**

With reference to page 8 of Our Water – Urban Water Supply Arrangements in South East Queensland – Final Report – May 07 and in particular footnote 2 that states ‘see section 2.3.3 and Attachment 2 for further information on the System Operating Plan’ –

1. Has section 2.3.3 been omitted?
2. If it has been omitted what were the details which should have been included?

### **ANSWER:**

The Queensland Water Commission (QWC) has advised the references to section 2.3.3 and Attachment 2 in the footnote on page 8 of the report are typographical errors and no information has been omitted from the report.

The QWC has advised that the footnote should actually refer to the information contained in section 2.3.2 and that the information on the System Operating Plan is provided in Attachment 3.
