

**QUESTION ON NOTICE**  
**No. 1377**  
**asked on Tuesday, 07 October 2008**

---

MR SEENEY asked the Minister for Mines and Energy (MR WILSON)

**QUESTION:**

With reference to publications produced by each department and agency in his ministerial portfolio since 13 September 2007 that bear the image of the Premier (including but not restricted to advertising, publicity campaigns, newsletters, publications, brochures, information kits, papers, reports, CD-Roms, leaflets, studies and electronic material), will he detail the title, cost and print run of each publication?

**ANSWER:**

The Department of Mines and Energy publishes a range of documents as a means of promoting community awareness of Government programs and projects, to disseminate information and encourage active community engagement with Government.

From time to time photographs of the Premier may appear incidentally as part of wider articles in reoccurring publications such as the Queensland Government Mining Journal.

The table below provides details of all one-off publications developed for specific promotional purposes, bearing a photograph of the Premier between the period 13 September 2007 and 15 October 2008.

<b>Publication</b>	<b>Date</b>	<b>Print run</b>	<b>Cost per copy (ex GST)</b>
Home EnergyWise kit	July 2008	30,100	\$1.98

The Home EnergyWise Kit released on 22 July 2008 to help Queensland householders save energy and reduce their contribution to greenhouse gas emissions, fulfils a 2006 Beattie Government EnergyChoices election commitment.
