No. 1504

Asked on 28 October 2008

DR FLEGG asked the Minister for Main Roads and Local Government (MR PITT) -

QUESTION:

Will he provide accident record for the Western Freeway for each section of road between the Logan Motorway and Toowong Roundabout with specific reference to the section near Kenmore Road overpass on the city side of Jindalee Bridge (broken down by the number and types of accidents for each of the past three years, listed separately)?

ANSWER:

I thank the Member for Moggill for the question.

Please note the statistics as provided in the following table. These figures include three crashes that occurred within 100m of the Kenmore Road overpass.

I am advised that final crash data for 2006-07 is yet to be confirmed.
