MR SPRINGBORG asked the Minister for Health (MR ROBERTSON)-

QUESTION:

With reference to Queensland Health property and leasing arrangements—

- (1) How many buildings, office spaces, warehouses or other spaces are currently leased/rented/owned by Queensland Health (reported by type)?
- (2) What is the monthly and yearly cost of leasing/renting/purchasing each premises (reported by premises)?
- (3) How many of those premises are not fully occupied, vacant or being renovated (reported by occupancy type)?

ANSWER:

(1)-(3) Queensland Health owns/rents/leases over 1,000 buildings at any one time.

The information sought by the Member is not collected centrally by Queensland Health, and collation and provision of the figures would be an onerous task which I believe would unnecessarily divert Queensland Health staff from their duties of providing and supporting health services for Queenslanders.
