MR CRIPPS ASKED THE MINISTER FOR NATURAL RESOURCES AND WATER AND MINISTER ASSISTING THE PREMIER IN NORTH QUEENSLAND (MR WALLACE)—

QUESTION:

What is the compositional analysis of the toxic, hazardous and other solid wastes and respective weekly volumes (reported separately) being transferred from the Luggage Point, Gibson Island and Bundamba advanced waste water treatment plants to landfill disposal?

ANSWER:

Questions relating to the Western Corridor Recycled Water Project would be best directed to my colleague, the Honourable Paul Lucas MP, Deputy Premier and Minister for Infrastructure and Planning, whose portfolio responsibilities cover this matter.

Questions relating to the regulation of the waste from the advanced water treatment plants would be best directed to my colleague, the Honourable Andrew McNamara MP, Minister for Sustainability, Climate Change and Innovation, whose portfolio responsibilities cover this matter.
