DR FLEGG ASKED THE MINISTER FOR TRANSPORT, TRADE, EMPLOYMENT AND INDUSTRIAL RELATIONS (MR MICKEL) —

QUESTION:

Will he detail the number of parking places provided by TransLink or the State Government at (a) bus stops in the electorate of Moggill and (b) bus stops, stations or other public transport locations in each of the State electorates within Brisbane or, if not available on electorate basis, the appropriate regions of the city?

ANSWER:

I am advised

(a) There are two bus stops currently located within the electorate of Moggill that have park'n'ride facilities. They are located at Mt Coot-tha Road, Toowong (100 car park spaces) and Rafting Ground Road, Pinjarra Hills (30 car park spaces). TransLink has committed funding in 2008/09 for a new 120 car space park'n'ride facility at Moggill Road, Kenmore. Construction is anticipated to commence early in 2009 following completion of realignment and widening works on Moggill Road by the Department of Main Roads.
