Asked on 13 November 2008

MR SPRINGBORG asked the Minister for Health (MR ROBERTSON)—

QUESTION:

With reference to departmental accommodation that is rented or leased within the greater Brisbane area—

- (1) What is the total annual cost for 2005-06, 2006-07, 2007-08 and the current financial year to date?
- (2) What is the area in square metres and the cost per square metre for each location (reported separately)?

ANSWER:

(1)-(2) Queensland Health owns/rents/leases over 1,000 buildings at any one time.

The information sought by the Member is not collected centrally by Queensland Health, and collation and provision of the figures would be an onerous task which I believe would unnecessarily divert Queensland Health staff from their duties of providing and supporting health services for Queenslanders.
