MR SPRINGBORG asked the Premier (MS BLIGH) -

QUESTION:

Will she provide copies of all briefing notes provided to each Minister during the changeover of Premier last year?

ANSWER:

Ministers coming into a new portfolio are entitled to confidential and frank advice from their departments about issues of relevance in their portfolio and I will ensure that they continue to receive that advice. The Leader of the Opposition's continued questions on this issue reflect poorly on his understanding of Government and Cabinet processes.
