

**Question on Notice**

**No. 623**

**Asked on Tuesday 29 April 2008**

MR STEVENS ASKED THE MINISTER FOR TRANSPORT, TRADE, EMPLOYMENT AND INDUSTRIAL RELATIONS (MR MICKEL) —

QUESTION:

Will he provide statistics on overcrowding on trains over the last 12 months (by month)?

ANSWER:

Passenger load data cannot be provided on a month by month basis as the data is collected by survey once a year.

As published in Queensland Rail's 2006/2007 Annual Report, and available at [www.corporate.qr.com.au](http://www.corporate.qr.com.au), the 2007 Passenger Load Survey Data identified network wide growth of 9% in the morning peak period.

The 2008 Passenger Load Survey report is nearing completion.
