**No. 1491**

**Asked on Thursday 8 October 2009**

**MS BATES ASKED THE MINISTER FOR MAIN ROADS (MR WALLACE)—**

**QUESTION:**

With reference to the state controlled section of Mudgeeraba Road—

- (1) What is the timeframe for the duplication of Mudgeeraba Road from the Regency Place roundabout to the Worongary Road intersection?
- (2) What funding has been allocated in any and/or all programs for this duplication?

**ANSWER:**

I thank the Member for Mudgeeraba for the question.

There are no current plans to duplicate this road. However, I can advise that funding of \$1 million has been allocated in the current Roads Implementation Program 2009-10 to 2013-14 for a Safer Roads Sooner project on Worongary Road (Advancetown-Mudgeeraba Road). The proposed safety improvements include sealing of road shoulders. Construction is scheduled for the 2010-11 financial year.
