MR EMERSON ASKED THE MINISTER FOR TRANSPORT (MS NOLAN)—

QUESTION:

How often is maintenance to control trackside vegetation growth and graffiti performed on the Ipswich train line in the Indooroopilly Electorate?

ANSWER:

I thank the Member for Indooroopilly for the question.

QR Limited undertook trackside vegetation control and graffiti maintenance in the Indooroopilly electorate three times within the last 12 months.

Station precincts are inspected for graffiti on a daily basis by attending station staff. If removal is required, they will report it for removal.

Graffiti is removed as a matter of urgency if it is of an offensive nature.
