**Mr Dickson** asked the Minister for Education and Training (Mr Wilson) —

QUESTION: Will the Minister provide the weekly FTE hours of teaching staff, therapy staff, and other staff at each special needs school (listed separately)?

ANSWER:

I thank the Member for his question.

I have been advised by the department that Queensland's special schools, supporting students with disabilities, have 766.6 teachers, 17605.9 teacher aide hours per week, and 85 support staff including business services managers, janitor/groundspeople and unit support officers

They also have 16 nurses, five education program officers and 40 therapists.
