

Question on Notice

No. 1642

Asked on Thursday 29 October 2009

MRS STUCKEY asked the Minister for Infrastructure and Planning (MR HINCHLIFFE)—

QUESTION:

With reference to the Tugun Bypass—(1) Is any iron framework in parts of the Tugun bypass tunnel showing signs of acid corrosion?

(2) Will the Minister give an assurance that this project is sustainable and safe for the surrounding environment and will it last the expected 100 year life-span?

ANSWER:

I thank the Honourable Member for Currumbin for her question.

I advise the Member that the question falls within the portfolio responsibilities of the Minister for Main Roads, the Honourable Craig Wallace MP.
