MR LANGBROEK asked the Premier and Minister for the Arts (MS BLIGH) -

QUESTION:

Will the Premier outline exactly what she expects from her ministers by detailing each of the Ministerial Charter of Goals provided to ministers?

ANSWER:

I expect each Minister to be working hard everyday towards a modern Queensland that is strong, green, smart, healthy and fair and ensuring that we are delivering on our commitments to Queenslanders.

I have issued each Minister with a Charter of Goals which outlines a number of key priorities I expect them to progress.

The current Ministerial Charters of Goals are available on the website of the Department of the Premier and Cabinet.
