MS SIMPSON ASKED THE MINISTER FOR TRANSPORT (MS NOLAN)—

QUESTION:

Given the commercial deal with Cubic as the contractors of go card, how much additional funding will Cubic receive as a result of the proposed go card fare increase and the move to a go card network?

ANSWER:

I thank the Member for Maroochydore for the question.

Cubic's remuneration is not based on the size of any fare increase, the number of transactions or the numbers of users.
