

Question on Notice
No. 1850
Asked on 24 November 2009

MR MALONE asked the Minister for Emergency Services (MR ROBERTS) -

QUESTION:

With reference to the draft Report on a Review of Disaster Management Legislation and Policy in Queensland containing the criticism that ‘the State’s Disaster Management information and communications systems were not yet sufficiently integrated or compatible’—

Will recommendation number 10 relating to the above criticism be implemented and, if so, when?

ANSWER:

I refer the Member to my response to previous Questions on Notice 1265 and 1605 and reiterate that the review of Disaster Management arrangements is still under consideration by the Government and no decisions have yet been made.
