No. 431

Asked on Thursday 11 March 2010

MR DEMPSEY asked the Minister for Transport (MS NOLAN) —

QUESTION:

What was the total amount collected in trailer registrations and all types of vessel registrations per year for the last five years in the Bundaberg and Burnett electorate postcodes (listed separately by postcode)?

ANSWER:

I thank the Member for Bundaberg for the question.

The following response is for the period January 2007 to February 2010. This is because the departmental financial system is not configured to report revenue items by post code.

As a result, any attempt to do so requires the use of subsidiary reporting systems accessing data cubes. At present, the current data cube contains a record for every registration transaction from the period of January 2007 to February 2010.

Registrations for the Bundaberg and Burnett electorates are detailed below:

Notes:

The trailer revenue figures are not just representative of boating related trailer receipts. Boating trailer receipts are unable to be separated and the figures represent revenue collected for all trailers in the Burnett and Bundaberg electorates and include the categories of heavy caravan trailer, heavy trailer, special trailer, and trailer and caravan registration.
