No. 491
Asked on 23 March 2010

MR CRANDON asked the Minister for Primary Industries, Fisheries and Rural and Regional Queensland (MR MULHERIN)—

QUESTION:

When will the marine national park zone (commonly referred to as the Green Zone) signage implementation program in Moreton Bay Marine Park be completed and when will information for the Green Zones be made available to chart makers so the zones can be marked on electronic charts?

ANSWER:

Responsibility for the Moreton Bay Marine Park signage rests with the Minister for Climate Change and Sustainability and accordingly this question should be directed to my colleague the Honourable Kate Jones MP.
