The TransLink network has over 506 retail outlets, more than any other smart card network in Australia.

go cards can also be purchased from the TransLink website (www.translink.com.au), over the phone by calling the TransLink Call Centre (13 12 30) and at selected retailers, staffed rail stations and selected busways stations.

go card users can top up their card at fare machines located at rail stations, selected busway stations and interchanges, over the phone, online, at selected attended QR station offices, selected go card retailers and on non-Brisbane Transport Buses. go card users can also register for the auto top up functionality, this is when a customer's go card balance falls below \$5 a preset amount of their choice is transferred to their go card.

Businesses wishing to apply to become a pre-loaded go card agent can complete an application form that is available on TransLink's website at <http://download.translink.com.au/go/retailerapplication.pdf>.
