No. 1011

Asked on Thursday, 16 June 2011

MR SPRINGBORG asked the Minister for Main Roads, Fisheries and Marine Infrastructure (MR WALLACE)—

QUESTION:

With reference to the Minister's letter to me dated 19 May, where he outlined his intention to examine a grade separated option for the Eight Mile intersection on the New England Highway north of Warwick—

Will the Minister outline both the process and timeframe for this planning option?

ANSWER:

I thank the Member for Southern Downs for the question.

A project to examine grade-separated options for this intersection has been included on the State Planning Program for 2011-12 and 2012-13 with an estimated start date of January 2012 and continuing for the next 18 months.

The project will include a review of previously identified options including updating estimates, identification of further alternatives and evaluation and analysis of all these options.
