MR MCLINDON asked the Premier and Minister for Reconstruction (MS BLIGH)—

Will the Premier investigate avenues to establish an independent board to review the performance of cabinet ministers annually and outline a list of key performance indicators to assess the quality and effectiveness of each Minister?

ANSWER:

The Queensland Parliamentary system is a Westminster system of government. Under the rules, conventions and expectations of this system, cabinet ministers are ultimately responsible to the Parliament and the people of Queensland.

I expect each Minister to be working hard each and every day towards a modern Queensland that is strong, green, smart, healthy and fair while also ensuring that we are delivering on our commitments to Queenslanders.
