No. 1057
Asked on 17 June 2011

MRS PRATT asked the Minister for Health (MR WILSON)-

QUESTION:

During the recent visit to Kingaroy by the Minister for Community Services the Minister indicated that sexual assault support and prevention programs will be funded in future by the Department of Communities, but local services have, as of 16 June 2011, received no information from Queensland Health and currently describe themselves as being in limbo -

Will the Minister clarify Queensland Health's plans for the future of sexual assault support and prevention programs and remove the uncertainty which currently exists for local services?

ANSWER:

I thank the Honourable Member for Nanango for her question.

I refer the Member to the answer to Question on Notice No. 769 given by the Hon Karen Struthers MP, Minister for Community Services and Housing, and Minister for Women.
