

**Question on Notice**

**No. 1074**

**Asked on 17 June 2011**

**DR ROBINSON** asked the Minister for Main Roads, Fisheries and Marine Infrastructure (MR WALLACE) -

QUESTION:

With reference to the Queensland Fisheries Strategy 2009-14—

Will the Minister provide a final account in relation to each of the seven key targets listed for resolution by the end of 2010?

ANSWER:

I thank the Member for Cleveland for the question.

The seven key targets in the Fisheries Strategy 2009-14 are -

1. finalise the planning-based framework for marine aquaculture
2. finalise the future vision for the Declared Fish Habitat Area network and review of Fisheries Queensland's approach to fish habitat conservation and enhancement
3. complete an economic analysis of the commercial fishing industry
4. create a commercial fisheries development unit within Fisheries Queensland
5. finalise the recreational fishing development plan
6. finalise an Indigenous fishing strategy
7. revamp Fisheries Queensland's key performance indicators.

Key targets 1, 2, 3, 4 and 7 have been completed and targets 5 and 6 have been substantially progressed, with consultation of the draft plan and strategy currently occurring.
