No. 288

MRS MENKENS ASKED THE MINISTER FOR ENERGY AND WATER UTILITIES (MR ROBERTSON)—

QUESTION:

Is SunWater being recompensed for office space given up at Giddy Road, Ayr for use by staff of the Australian Agricultural College Corporation and, if so, what office space (in square metres) is being ceded and what are the terms and amount payable?

ANSWER:

SunWater is not ceding any office space to the Australian Agricultural College Corporation. SunWater is currently negotiating a commercial lease agreement with the Australian Agricultural College Corporation which entails the lease of part of SunWater's Giddy Road premises.

As the agreement is a private commercial matter, I am not able to divulge specific monetary details of the proposed lease agreement.
