No. 411

Asked on 24 March 2011

MR MCLINDON asked the Minister for Transport and Multicultural Affairs (MS PALASZCZUK) —

QUESTION:

Will The Minister Outline Where The Revenue Of The Recent \$8.35 Surcharge Now Appearing On Registration Renewals Is Directed?

ANSWER:

I thank the Member for Beaudesert for the question.

The small fee referred to by the Member has been in place since 1999 when the 6 month registration term payment option was introduced.

It covers the administrative cost of the additional updating of the vehicle register and costs associated with the production, manufacture and mailing of the additional registration renewal notice, certificate and label.
