MS DAVIS asked the Minister for Transport and Multicultural Affairs (MS PALASZCZUK)

QUESTION:

For all TransLink staff, will the Minister list (in table format) the number of staff by classification, level and type of duty (reported separately)?

ANSWER:

I thank the Member for Aspley for the question.

I refer the member to the Service Delivery Statement for information on staffing numbers.

As the details requested within the question asked would lead to the identification of individual staff within TransLink, this information cannot be released for privacy reasons.
