MR FOLEY asked the Minister for Police, Corrective Services and Emergency Services (MR ROBERTS) -

QUESTION:

Will the Minister confirm that after a vehicle accident (where fluid such as oil or petrol has leaked all over the road and emergency services use their special kitty litter to soak up this spill) both the local council and the vehicle owner are issued with an invoice for this cleanup cost?

ANSWER:

The Queensland Fire and Rescue Service invoices all costs associated with a clean up on a public road to the registered owner of the vehicle which caused the incident.
