No. 628

asked on Tuesday, 10 May 2011

MR HOBBS ASKED THE MINISTER FOR ENVIRONMENT AND RESOURCE MANAGEMENT (MS JONES)—

QUESTION:

With reference to the Vegetation Management Act and the Queensland Vegetation Management Framework - Exit Assistance—

Will the Minister advise

- (a) how many properties were purchased under the Exit Assistance Scheme,
- (b) if any properties are still in negotiations and
- (c) the government's intended purpose for those properties purchased (all reported separately)?

ANSWER:

- (a) Seven properties were purchased.
- (b) No.
- (c) Three properties have already been added to the national park estate.

The most appropriate use for the remaining properties will be determined based on a thorough assessment.
