

Question on Notice
No. 825
Asked on 25 May 2011

MR SORENSEN asked the Premier and Minister for Reconstruction (MS BLIGH)—

QUESTION:

With reference to Question of Notice No. 378 of 2011, where the Minister failed to answer the question and referred to a document that also does not answer the question –

Will the Premier advise how many patients are on the waiting list for exploration colonoscopies in Hervey Bay (including a breakup of how long patients are waiting and have waited in the past)?

ANSWER:

I refer the Honourable Member to the Minister for Health's answer to Question on Notice No 378 of 2011.

Whilst data on occasions of health service performance is reported online at www.health.qld.gov.au/hospitalperformance, I am advised that it is not collated in the format you have specifically requested. As the Member would appreciate, the number of patients needing a particular treatment changes frequently. It is not a practical use of resources to rework this data to suit your presentational preferences.
