

**Question on Notice
No. 826
Asked on 25 May 2011**

MS BATES (Member for Mudgeeraba) asked the Minister for Government Services, Building Industry and Information and Communication Technology (MR FINN)-

QUESTION:

Will the Minister list (in table format) all ICT projects worth \$2m or more that were announced in each of 2008-09, 2009-10 and 2010-11 (to date) including the estimated and actual costs and the estimated and actual completion dates?

ANSWER:

This information can only be sourced directly from each department on a case by case basis. As such, should you require information for ICT projects from other portfolios, it is suggested you direct your request to the relevant Minister.

I have provided the information for the Department of Public Works at **Attachment 1**. Where a project is not complete the fields are marked as 'In progress'.

ATTACHMENT 1

Date	Department	ICT Project / Name	Estimated Cost Note 1	Actual Costs Note 1 and Note 2	Estimated Completion Date	Actual Completion Date
2008-09	Public Works	No projects were announced in this timeframe that meet the criteria in the question.
