MR DEMPSEY asked the Minister for Health (MR WILSON)-

QUESTION:

Considering patients with serious conditions are being forced to park more than a kilometre from Bundaberg Hospital due to the lack of available spaces, will the Minister outline any plans to rectify this situation?

ANSWER:

I thank the Honourable Member for Bundaberg for his question.

I am advised that Bundaberg Hospital is planning to provide additional car parking for patients and visitors on land adjacent to the hospital.

This parking will be close to upcoming expanded medical services, such as the \$8.3M Cancer Care Centre and the \$9.5M Oral Health Facility.
