MRS MILLER asked the Minister for Health (MR SPRINGBORG)-

QUESTION:

Will the Minister advise if there have been any discussions or briefings relating to Queensland Health's Central Pharmacy Warehouse at Richlands and will the Minister categorically rule out selling the facility?

ANSWER:

I thank the Honourable Member for Bundamba for her question.

Consistent with the Budget Statements and the *Blueprint for better healthcare in Queensland*, Central Pharmacy is currently undergoing a contestability review.

The contestability review is designed to determine if service currently supplied to customers are comparative to those available in the private and other sectors.
