

Question on Notice

No. 268

Asked on Thursday, 18 April 2013

MR WATTS asked the Minister for Transport and Main Roads (MR EMERSON) —

QUESTION:

Has the Minister considered allocating funding to progress the detailed surveying and engineering preparation work required for the range crossing corridor so that the project can be shovel-ready upon a commitment from the Federal Government?

ANSWER:

I thank the Member for Toowoomba North for the question.

Given the current financial constraints on the Department of Transport and Main Roads and the unknown issues regarding the delivery model, it is not possible to progress early engineering and survey works.
