MRS MENKENS asked the Minister for Health (MR SPRINGBORG)-

QUESTION:

With reference to Queensland Health's rural and remote infrastructure report completed in late 2010 that identified 12 hospitals in need of critical maintenance and repair –

Will the Minister provide an update on when the \$2.48m upgrade will happen at the Ayr Hospital?

ANSWER:

I thank the Honourable Member for Burdekin for her question.

The \$2.48 million works intended for the Ayr Hospital as part of the Rural and Remote Infrastructure Rectification Works Program is currently in the process of planning and design. The associated construction and rectification works are forecast to commence in June 2013.
