MR PITT ASKED THE TREASURER AND MINISTER FOR TRADE (MR NICHOLLS)—

QUESTION:

With reference to the government's acceptance of recommendation 27 in the Commission of Audit to sell SunWater's dedicated water supply infrastructure including nine major distribution networks—

What work has been undertaken in Treasury to date on implementing this recommendation to sell these assets, and when is the sale expected to be finalised?

ANSWER:

The Government's policy position on these recommendations remains as outlined in the Queensland Government's response to the Commission of Audit final report.
