MR PITT asked the Premier (MR NEWMAN)—

Will the Premier advise the total spent to date on (a) all consultants or commercial advisors (individual or corporate) utilised since 26 March 2012 including on behalf of the Public Sector Renewal Board and the Public Service Commission, (b) the description of the task or project (where consultants or commercial advisors are engaged for multiple tasks or projects, list each task or project separately), (c) payments made to date for this financial year and (d) payments expected to be made in 2013-14?

ANSWER:

Consistent with responses by the former Government when questioned on the details of consultants, details regarding the utilisation of consultants are publicly reported in annual reports tabled in the Parliament or are available on the Queensland Government Open Data website.
