

QUESTION ON NOTICE
No. 756
Asked on 29 October 2013

MS TRAD asked the Minister for Agriculture, Fisheries and Forestry (MR McVEIGH)–

QUESTION:

Will the Minister provide a comprehensive list of all timber companies that have been granted access to State Reserves broken down by date, reserve and location (by lots)?

ANSWER:

A comprehensive list of Department of Agriculture, Fisheries and Forestry's customers who were authorised under the *Forestry Act 1959* to harvest cypress sawlogs, hardwood sawlogs, hardwood poles, hardwood girder logs and/or hardwood landscape logs from specified parts of State Forests and/or Timber Reserves in 2012-13 is provided at Attachment 1.

The State Forests and Timber Reserves subject to partial log timber harvesting during 2012-13 are also identified in the attachment by Lot on Plan and by name.

In accordance with advice from the Office of the Information Commissioner, that states *'it would be best practice to avoid including personal information if it is irrelevant to, or unnecessary for the answer to the Question on Notice'*, I have not identified individual persons who harvested log timber under their own names rather than a company or business name. These persons are identified as Individual 1, Individual 2, etc.

Attachment 1 – Customers authorised under *Forestry Act 1959* to harvest cypress sawlogs, hardwood sawlogs, hardwood poles, hardwood girder logs and/or hardwood landscape logs from specified parts of State Forests and Timber Reserves in the 2012-13 financial year.
