

Question on Notice
No. 790
Asked on 31 October 2013

MR WELLINGTON asked the Premier (MR NEWMAN)—

With reference to the vacant State Government land in Glenbrook Drive, Nambour—

What are the plans for this site and, if no immediate plans, will this land be sold and if so, when?

ANSWER:

As the Honourable Member is aware, the land to which he refers was purchased as part of a total allocation of land that had to be acquired to build the Glenbrook Residential Aged Care facility.

There are no immediate plans for the sale of the land the Member refers to, however, it will be the subject of ongoing review and its retention or disposal will be considered in accordance with Government land management guidelines.
