No. 867
Asked on 21 November 2013**

DR DOUGLAS asked the Premier (MR NEWMAN)-

QUESTION:

As the current Gold Coast University Hospital CEO is the subject of multiple investigations including one by the sub-committee Crime and Misconduct Commission—

Will the Premier explain to the Parliament when he will stand down the Gold Coast University Hospital CEO?

ANSWER:

Allegations were raised in July and August 2013 concerning suspected official misconduct on the part of the Health Service Chief Executive, Gold Coast Hospital and Health Service (HHS).

Upon notification, Queensland Health referred the allegations to the Crime and Misconduct Commission for assessment.

The allegations are currently the subject of an ongoing investigation and as such it would be inappropriate to comment on the matter further.

Following the investigation report, the Director-General, Queensland Health will refer the report and any matters requiring further action to the Gold Coast HHS Board.
