Ms D’Ath asked the Minister for Education, Training and Employment (Mr Langbroek) –

QUESTION:

Will the Minister advise the number of courses offered by Queensland’s TAFE campuses for the past five years, broken down by campus and year?

ANSWER:

I thank the Member for her question.

I have been advised by TAFE Queensland that the number of courses delivered by campus and for the last five years is as per the table below. The delivery modes for these courses include face to face, blended and online.

The total number of courses delivered has increased by 1.0% for the period, mainly due to changes in student demand, training package updates and changes in technology and facilities allowing for improved delivery methods.
