

**Question on Notice**

**No. 370**

**Asked on 21 May 2014**

**Mrs Miller** asked the Minister for Education, Training and Employment (Mr Langbroek) –

QUESTION: Will the Minister provide a list showing the enrolment capacity of every state school in Queensland in 2014?

ANSWER:

I thank the Member for her question.

The Newman Government has committed to increased openness and transparency around decision-making and devolving more responsibility to local communities.

In keeping with this, my Department is making available to schools an unprecedented array of data to assist them in making informed decisions to best meet the particular needs of their school community.

Consequently, my Department is providing all state school principals online access to far more detailed school enrolment and capacity data to assist them with forward planning. A trial is currently underway with selected schools having access to this data via a new My Facilities portal.

Departmental officers are currently engaging with schools to verify data and this process will continue.

It is anticipated that all schools will have access to this data in the second semester following assessment of the trial.

Please find enclosed a list providing current enrolment capacity for Queensland state schools in 2014.
