

**Question on Notice
No. 447
Asked on 3 June 2014**

MR BYRNE asked the Minister for Police, Fire and Emergency Services (MR DEMPSEY)—

QUESTION:

With reference to the Police Beat at Riverview—

Will the Minister advise (a) how many days the Police Beat has been shut since 26 March 2012 (listed separately by day and date), (b) the reason for each day of closure (listed separately), (c) the number of positions assigned to the Police Beat, (d) all periods when positions assigned to the Police Beat have been vacant and (e) why a replacement officer has not been allocated to the Police Beat?

ANSWER:

The Queensland Government is continuing to revitalise frontline services by providing an additional 1,100 new police officers over four years. To date, the Government has delivered over 800 additional officers who have been allocated throughout the State to areas of critical need. This increase in frontline police has enabled the QPS to commit more officers to proactive policing tasks, all a part of our strong plan for a brighter and safer future for Queenslanders.

The Riverview Police beat is a single person station located within Goodna Division just a nine minute drive from Goodna Police Station. The office is attached to the front of a 3 bedroom residence and accessible from the street by members of the public.

A sign at the front entrance of the Beat office advises members of the public when the office is unattended. They are then able to use the available Blue Telephone to contact the Ipswich Police District Communications Centre for any assistance required. When the office is unattended, the Riverview Police Beat office telephone is diverted to the Communications Centre.

Goodna Police assume responsibility for providing policing services in the Beat area whenever the appointed officer is not available to perform duty. Over the last two years the Goodna Division has seen an increase of nineteen officers.

Goodna Police Station is a 24 hour station that responds to calls for service on a 24/7 basis. All calls for service are prioritised. In addition, the Ipswich Police District has a Tactical Operations Group, drawn from stations and work units, which conduct day and night operations throughout the Ipswich area, including Riverview, to address emerging crime trends.

As a result of this Government's commitment to revitalise frontline services, committing well over 800 additional officers to proactive policing tasks, in the Goodna District for the period 1 July 2012 to 31 May 2014 crime is down in the following categories;

- Grievous Assault down 42%
- Serious Assault down 18%
- Robbery down 28%
- Unlawful entry down 25%
- Unlawful Use of Motor Vehicle down 20%
- Handling Stolen Goods down 26%

In 2013 the officer attached to Riverview Police Beat sustained a work place injury.

The officer was initially off work full time and then commenced a graduated return to work program as approved by the treating medical practitioner. The officer participated in a rehabilitation program which, for officer safety reasons, was completed at Goodna Police Station – this resulted in the Beat being closed while the officer performed other duties.

Although the Riverview Police Beat was closed during the period of Workcover leave, the officer maintained contact with stakeholders from the Riverview community including the Riverview Neighbourhood Watch. The officer also coordinated policing responses in Riverview to address emerging trends including through traffic enforcement and good order operations.

After receiving a medical clearance, the officer returned to full time duty at the Riverview Police Beat on 17 June 2014.

- (a) The Riverview Police Beat was closed for 465 days during the period 26 March 2012 to 17 June 2014.
- (b) This includes days the Beat was unattended while the Beat officer was on work related sick leave or performing other duties due to the injury. The remaining absences from the 'Beat' are captured under rest days (RD), Programmed Days Off (PDO), Optional Rest Days (ORD), training, sick leave and recreation leave. These closures arose as a result of the Beat officer performing other duties for 178 days, and taking 17 days sick leave (non-work related), 67 days recreation leave, 161 RDs, 20 PDOs, 19 ORDs and 3 compulsory training days.

In accordance with the Rostering Rules associated with the Police Service Award and EB7 Police Officers are entitled to eight (8) Rest Days in a twenty-eight (28) day roster period. Within this same period the officer is also entitled to one (1) Programmed Day Off. Public Holidays are recorded as Optional Rest Days for rostering purposes. The Riverview Beat is a non-Operational Shift Allowance position and therefore the officer is entitled to all Public Holidays.

- (c) The Riverview Police Beat has an approved strength of one Community Beat Officer at the rank of Senior Constable.
- (d) There have been no vacancies in this position since 26 March 2012.
- (e) A replacement officer was not appointed to the position as the position is not vacant and two officers cannot be held against one position.
