MR BYRNE ASKED THE MINISTER FOR NATIONAL PARKS, RECREATION, SPORT AND RACING (MR DICKSON)—

QUESTION:

Will the Minister provide a detailed breakdown, by park and by project, of the \$6.322 million allocation of 'Various Works – National Parks', detailed on page 79 of the 2014-15 Capital Statement?

ANSWER:

I thank the Member for the Question.

The \$6.322 million in projects identified as "Various Works – National Parks" in the 2014-15 Capital Statement is primarily composed of 79 proposed minor projects in 2014-15.

Projects are subject to change between the time when budget papers are developed and published and when the Department of National Parks, Recreation, Sport and Racing's (NPRSR) capital program for 2014-15 is approved for implementation (July 2014).

The Queensland Government is firmly committed to improving access for ecotourism and recreation as well as increasing and enhancing park facilities. It's all part of the Queensland Government's strong plan to get Queenslanders to switch from screen time to green time and get fit and active while exploring our world class National Parks.
