

**Question on Notice**

**No. 582**

**Asked on Thursday, 7 August 2014**

**MRS MILLER** asked the Minister for Transport and Main Roads (MR EMERSON)—

**QUESTION:**

Will the Minister ensure that Ross and Sharon Watson, of Springfield, whose house was damaged in June 2012 during the construction of the Springfield rail line, have their house repaired to the standard it was before the rail line construction commenced and that the repairs will be completed as quickly as possible, as the dismissive nature of departmental and Trackstar Alliance officers to this family has caused considerable distress?

**ANSWER:**

I thank the Member for Bundamba for the question.

Darra to Springfield Stage 2 was constructed by Trackstar Alliance, which consisted of Queensland Rail and several private companies.

Trackstar Alliance will review all relevant inspections and engineer reports. Upon the completion of this review, the TrackStar Alliance will hold further conversations with the landowner and seek to resolve the matter promptly.
