MR KING ASKED THE MINISTER FOR EDUCATION AND MINISTER FOR TOURISM, MAJOR EVENTS, SMALL BUSINESS AND THE COMMONWEALTH GAMES (HON K JONES) —

QUESTION:

Will the Minister advise what benefits 'Investing for Success' will bring to my electorate of Kallangur?

ANSWER:

I thank the Member for his question.

Investing for Success is allocating \$480 million in Australian Government *Students First* funding directly and in full to Queensland state schools over the 2016 and 2017 school years.

The indicative 2016 *Investing for Success* funding amounts for all Queensland state schools, including schools in the electorate of Kallangur, are available on the Department of Education and Training website at <http://deta.qld.gov.au/initiatives/pdfs/i4s-funding2016.pdf>

Schools decide how to use their *Investing for Success* funding and enter into an agreement committing to investing the additional funding to improve student outcomes and school performance.

These agreements are published on schools' websites so the community can see how this additional funding will be used. Schools also report to the community on the success of their *Investing for Success* initiatives.

Most schools are using their funding to improve learning outcomes for all students and providing additional targeted support.
