

**Question on Notice**

**No. 478**

**Asked on Thursday, 4 June 2015**

**MR CRAMP** asked the Minister for Main Roads, Road Safety and Ports and Minister for Energy and Water Supply (HON M BAILEY) —

**QUESTION:**

With reference to the former LNP Government's fully funded and costed allocation of \$35,000 made to install flashing school lights at Yeronga State School in the Yeerongpilly Electorate (funding not contingent on the Strong Choices program).

Will this allocation proceed under the Labor Government?

**ANSWER:**

I thank the Member for Gaven for the question.

The Palaszczuk Government remains committed to the flashing school zone signs program initiated by the Bligh Government in 2011.

I am advised by the Department of Transport and Main Roads (TMR) that there was no commitment of funding by the former LNP Government for the installation of flashing school lights at Yeronga State School.

I can assure the Member that I will continue to advocate for schools and infrastructure in my electorate.
