

## **Question on Notice**

**No. 741**

**Asked on 15 September 2015**

**MR MANDER** ASKED THE MINISTER FOR EDUCATION AND MINISTER FOR TOURISM, MAJOR EVENTS, SMALL BUSINESS AND THE COMMONWEALTH GAMES (HON K JONES) –

QUESTION:

With reference to School Enrolment Management Plans (EMP)—

- 1) What state schools in Queensland have school EMPs in place (listed separately)?
- 2) How many additional schools are expected to implement EMPs in the 2016 and 2017 school years?

ANSWER:

I thank the Member for his question.

The Palaszczuk Government is committed to ensuring every Queensland child, regardless of where they live, has access to a quality school where they can thrive.

The Department of Education and Training monitors school enrolments and population growth across Queensland and School Enrolment Management Plans (EMP) are implemented in schools nearing Student Enrolment Capacity. This is to ensure students living within the school's catchment area are able to enrol at their local school.

In 2013, the School EMP Procedure was reviewed and the Director-General requested the trigger to implement a School EMP be reduced and as a result, the trigger to implement an EMP was reduced from 90% utilisation to 80% utilisation.

In 2013, 133 Queensland state schools implemented EMPs. In 2014, a further 229 schools implemented EMPs and in 2015 an additional 76 have been actioned.

The Government is committed to catering for growth however, we have faced significant challenges after the former LNP government's Public Private Partnership (PPP) model left a black hole in the capital works budget.

Previous PPP models have ensured that capital works costs are spread over a 30 year period however, under the LNP's model the higher capital costs are carried in the early years and are set to cost a minimum of \$108 million this year.

In this climate, the former Minister failed to deliver additional funding to the capital works budget, despite the high upfront PPP costs.

Over the past 5 years base funding for capital works has sat around \$300 million and, as a result of the former Minister's decision, we faced a situation where more than one third of the funding was needed to service the PPP debt for schools in South East Queensland only.

Fortunately, in this year's State Budget, the Palaszczuk Government was able to deliver a \$456 million investment in capital works.

This includes \$90 million over four years to develop a new primary school in northwest Townsville and to begin master planning for a new high school in Townsville. The Honourable Member for Hinchinbrook has been advocating for a new school for this region

Summary of School EMPs as at 12 October 2015			
Region	SS	SHS / Campus	Subtotal
Central Queensland	27	9	36
Darling Downs South West	26	9	35
Far North Queensland	18	4	22
Metropolitan	126	22	148
North Coast	63	16	79
North Queensland	22	3	25
South East	72	21	93
<b>Total</b>	<b>354</b>	<b>84</b>	<b>438</b>

since 2010 and the Palaszczuk Government is proud to deliver the necessary funding to build this important community asset.

The State Budget also included \$25 million over the next two years, including \$8 million 2015-16, to build a new special school in Cairns.

A further \$168.3 million has been allocated to further staged works at four new schools – Highfields and Pimpama state secondary colleges, and Springfield Central state primary and secondary schools – and to provide extra classrooms at existing schools in growth areas.

During the annual School EMP Assessment conducted earlier this year, 40 additional schools were identified as needing to implement a School EMP. Of these schools, 15 have already implemented their EMP, and these are included in the list at **Attachment 1**. The remaining 25 School EMPs are expected to be implemented prior to the commencement of the 2016 school year.

I'm advised that the Department of Education and Training conducts the School EMP Assessment annually using Day 8 enrolment figures. As such, I am unable to confirm the number of schools that will be required to implement a School EMP in 2017.
