Asked on 17 September 2015

MS BATES asked the Minister for Health and Minister for Ambulance Services (HON C R DICK) -

Will the Minister advise the number of code black security incidents that have occurred at Robina Hospital since February 2015, listed by number of incidents per month and categorised in accordance with the relevant hospital department or unit in which the incidents occurred?

ANSWER:

I thank the Honourable Member for Mudgeeraba for her question.

I am advised that for the period 1 February 2015 to 31 August 2015, 264 Code Black security incidents occurred and have included occurrences within the following service areas:

- Mental Health Units,
- Emergency Department,
- Geriatric Assessment and Rehabilitation Unit (GARU) and
- General Areas (grounds and gardens, generic inpatient units).
