**Asked on Thursday, 17 September 2015**

**MR KELLY** asked the Deputy Premier, Minister for Transport, Minister for Infrastructure, Local Government and Planning and Minister for Trade (HON J TRAD) —

**QUESTION:**

Will the Minister advise of any plans to increase the number of Go Card retail facilities in the electorate of Greenslopes?

**ANSWER:**

I thank the Member for Greenslopes for the question.

I acknowledge the work of the Member for Greenslopes and his constituents in collecting over 3,000 signatures in support of a new *go* card retail facility

I am pleased to advise that the Department of Transport and Main Roads' (TMR) is currently working with its distribution partner to launch a new *go* card retailer in the Greenslopes area.

The process to engage a new retailer is currently underway with *go* card equipment planned to be installed in the coming months. Following successful installation, the new retailer will be able to provide *go* card buy, top-up, and expiry change services to customers in the Greenslopes area.
