Asked on Thursday, 17 September 2015

MS LINARD asked the Deputy Premier, Minister for Transport, Minister for Infrastructure, Local Government and Planning and Minister for Trade (HON J TRAD) —

QUESTION:

Will the Minister advise the House of any plans to increase Go Card retail facilities in the Nudgee Electorate?

ANSWER:

I thank the Member for Nudgee for the question.

I am pleased to advise the Department of Transport and Main Roads is currently working with its distribution partner to launch a new *go* card retailer in the Nudgee area.

The process to engage a new retailer is currently underway with *go* card equipment planned to be installed in the coming months. Following successful installation, the new retailer will be able to provide *go* card buy, top-up, and expiry change services to customers in the Nudgee area.
